

Dear All **IACTA life members**,

Greetings from IACTACON-2021(V).

Due to COVID pandemic and ongoing travel restrictions, annual conference of IACTA for the year 2021 is scheduled on 27th and 28th Feb. on a virtual platform: IACTACON-2021(Virtual). The conference includes faculty lectures and a panel discussion as per the scientific schedule attached with this newsletter.

An attempt is made by organizing team to include the speakers from across the country. A lot of young speakers are given chance to speak during the IACTACON-2021(V) conference. The topics of the faculty lectures are related to practice of cardiac anaesthesia and latest updates. As the IACTA EC and ICCA are the host for IACTACON-2021(V) conference, the office bearers and senior faculty from within India and abroad would preside over as chairpersons and moderators.

IACTACON-2021 being a virtual conference, there would be no VA Punnoose oration, Brig. PN Bhatt oration, lifetime award session, free papers or Janak Mehta session during IACTACON-2021.

Annual General Body Meeting (GBM) is scheduled on 28.02.2021 during IACTACON-2021(Virtual). Only the life members of IACTA can attend the GBM. To attend the GBM, please enter your IACTA membership number while filling the online registration form of the conference. The members who have not entered the life membership number in the registration form, will not be allowed to attend the GBM live transmission and their online link would be disconnected after the last session i.e. panel discussion on 28.02.2021 at 02:00 PM. We request all life members of IACTA to make sure you enter your IACTA number in the online registration form. The suggestions and comments from only the IACTA life members will be addressed during the GBM.

Kindly click to the link to reach the conference webpage and complete your registration process:
