## FIACTA Teacher Certification: Guidelines

In order to be able to impart high quality of training to candidates desirous of a fellowship in cardiac anaesthesia, the FIACTA teacher/examiner must fulfill the following minimum guidelines:

1. A postgraduate qualification (MD / DNB in Anaesthesia) from a recognized university with at least **10 years post qualification** in cardiac anaesthesia in a recognized major hospital or institute. The center should have a minimum turn-over of 400 cardiac cases per year. They must devote most of their professional time in cardiac anaesthesia.
2. The teacher must be a life member of IACTA.
3. He / She must be competent in different clinical/administrative skills required for cardio thoracic anesthesia inside the OT and ICU. Further they must have the time and dedication to fulfill the teaching responsibilities.
4. The teacher must demonstrate commitment to training-and practice of cardiac anaesthesia by participating/ associating with regional, national or international cardiac anaesthesia CME's, seminars and conferences (preferably as a faculty) and associating with the regional, national or international cardiac anaesthesia organizations.
5. They must exhibit active interest in medical research, scientific presentations or publications in or related to the field of cardiac anaesthesia.
6. The Indian College of Cardiac Anaesthesia (ICCA) board would verify the credentials before certifying him/her as a teacher in cardiac anaesthesia.
7. Application form for Teacher Certification is available in the IACTA website ([www.iacta.co.in](http://www.iacta.co.in)).
